Attorney Docket No. 09812.0123

The following is listed on the accompanying PTO/SB/08 and is in a non-English language:

H. Tsuchida, et al., "Evaluation on Intermittent Claudication Using Near Infrared Spectroscopy", Japanese Journal of Vascular Surgery, 1998, Vol. 7, No. 3 pp. 475-487 -

The relevance of this document is discussed at page 1 of the specification of the present application.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If the Examiner applies the document as prior art against any claim in the application and applicants determine that the cited document does not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.
